HI VISIBILITY VEST: Specifications and guidelines.

HI VISIBILITY VEST

To ensure that we are identifiable as Irish Red Cross and easily recognisable while working in the community, a distinctive hi visibility vest has been chosen.

HI VISIBILITY VEST

Please note: The Irish Red Cross field mark is protected. Field mark usage can only be permitted by the Irish Red Cross national society. Design template cannot be altered in any way and may only be used for the intended purpose.

Specifications

ISO 20471:2013 specifies requirements for high visibility clothing which is capable of visually signalling the user's presence. The high visibility clothing is intended to provide conspicuity of the wearer in any light condition when viewed by operators of vehicles or other mechanized equipment during daylight conditions and under illumination of headlights in the dark.

Colour

Royal Blue

Reflective

Two band and braces

Usage

Restricted to use during daylight hours and minimal risk such as off road activities.

Ordering

Request to order Community Support hi visibility vest design template should be made via secretary or treasurer by emailing healthandsocialcare@redcross.ie

Preferred supplier

hivisvests.ie
