### 1.7.1 Garda Vetting Application:

*The National Vetting Bureau (Children and Vulnerable Persons) Acts 2012-2016 make it mandatory for people working with children or vulnerable adults to be vetted by An Garda Síochána National Vetting Bureau.*

*You must ensure that all personnel as part of your Group are fully vetted to support working with children and vulnerable adults and that they are suitable and of good character.*

*You and every member of your group will be required to complete a Garda vetting form which will be facilitated through your RSO.*

*Successful completion of the vetting process must be submitted along with your settlement plan.*

### 1.7.2 Safeguarding Policy

**Children:**

*It is vitally important that Children First guidance and legislation is strictly adhered to by CSGs, with the support and assistance of their RSO, in the implementation of community sponsorship.*

*As the group will be working with children you will be required to:*

- *Keep children safe from harm while they are being supported by the CSG*

- Carry out a risk assessment to identify whether a child or young person could be harmed while being supported by the CSG
- Develop, in consultation with the RSO, a **Child Safeguarding Statement** that outlines the policies and procedures which are in place to manage the risks that have been identified
- Appoint a relevant person to be the first point of contact in respect of the organisation’s Child Safeguarding Statement

As CSGs are supported by RSOs, they will assist the CSG to meet your obligations under Children First. Each RSO will have an appointed Designated Liaison Person (DLP) within their organisation. This person will be the resource person for any group member or volunteer who has child protection concerns and they will liaise with outside agencies. The DLP will also assist you in the development of your Child Safeguarding Statement, which can be based on the existing policies of the RSO and which may rely on its reporting procedures.

The Child Safeguarding Statement and proof of completion of the E-Learning Programme must be submitted along with your settlement plan.
