Contact Phone Number (Please provide the team leader's phone number and at least one other phone number)	1. _____ 2. _____ 3. _____
What do you identify as the key challenges of IHL (maximum 300 words)	

*Please note that in the event of an oversubscription to the competition, we will prioritize the selection of teams based on the following criteria:

Crois Dhearg na hÉireann
Irish Red Cross

1. **Team Designation:** Teams are categorized as A, B, and C by each institution. Preference will be initially given to accepting Team A from each institution.
2. **Years of Study:** In the second instance, higher years of study within each institution will be given preference for team selection.
3. **Knowledge Assessment:** Finally, should it be necessary to further narrow down the selection, we will evaluate the answers provided in the final section of this application, focusing on your analysis of key IHL challenges.

These criteria ensure that we maintain diversity among participating institutions while also prioritising those in later years of study and assessing their understanding of IHL in the selection process.
